PROMINENT MEDICAL MEN

Find Catarrh of the Bladder a Very Prevalent and Dangerous Malady.

A. W. Perrin, M. D. S., 980 Halsey St., to excite great suffering and alarm, and Hartman, says the following:

Taylor, Texas, August 26.-A boiler tube

though not seriously.

Cotton is coming in quite briskly. About 2500 bales have been received to date in

Local capitalists are discussing the establishment of a fine flouring mill in this city, provided satisfactory water facilities can be arranged, and in order to do this some of our leading citizens are agitating the subject of the city putting in a water than your represent. Pe-ru-na can be had now of all druggists in this section; at reasonable rates for water.

DEATH OF A VETERAN.

DEATH OF A VETERAN.

No organ of the whole body is more frequently affected by catarrh than the bladder, which is sometimes so severe as of the bowels.

A. W. Perrin. M. D. S.

"I am using your Pe-ru-na myself, and am recommending it to my patients in all cases of catarrh, and find it to be more than your represent. Pe-ru-na can be had now of all druggists in this section; at the time I began using it, it was unknown."

A. W. Perrin.

No organ of the whole body is more frequently affected by catarrh than the bladder, which is sometimes so severe as Columbus, O.

Brooklyn, N. Y., in a recent letter to Dr. again so light as to scarcely attract any notice. The symptoms of catarrh of the bladder are: Frequent desire to void urine, which is generally scant in quantity and highly colored, with a thick white or slightly pinkish sediment. Pe-ru-na has gained such great popularity in the treatment of all diseases of the genitourinary organs, because of its almost magical influence over all catarrhal disin all diseases of the kidneys, bladder and urethra is too well known to need comment; and when it is remembered that the majority of these affections are of catarrhal origin, and that Pe-ru-na is a

catarrhal origin, and that Pe-ru-na is a specific for catarrh, wherever located, the fact is explained.

Mr. Samuel Sanders of Blythedale, Mo., writes to Dr. Hartman: "I had catarrh of the urchra and bladder. My symptoms were the rame as those given in your free books. I got a bottle of Peru-na and began taking it, and in a few days I was relieved and could sleep and rest all night. I think that Pe-ru-na is a valuable remedy. I had tried other highly

billious colic, diarrhoea and dysentery are each and all catarrh of the bowels. Catarrh is the only correct name for these affections. Pe-ru-na is an absolute specific for these allments, which are so common in summer. Dr. Hartman, in a practice of over forty years, never lost a single case of cholera infantum, dysentery, diarrhoea, or cholera morbus, and his only remedy was Pe-ru-na. Those desiring further particulars should send for a free copy of "Summer Catarrh." Address Dr. Hartman, Columbus, O.
